DISCOVERY CLUBS

More than lessons. Life.

The mission of Discovery Clubs is to teach Biblical truth to children in public schools and to present the Gospel message to as many elementary age children as possible, giving them the opportunity to accept Jesus Christ as their personal Lord and Savior.

Discovery Clubs enable you to share the Gospel with children who need Jesus right in your local school, one hour a week for approximately 20 weeks during the school year.

Discovery Clubs supplies all of the materials needed and will train you in how to teach and present our curriculum to children.

GLOBAL METHODIST CHURCH

SEPTEMBER 16, 2024

— Everything is —
BETTER
WHEN YOU BRING YOUR FRIENDS
SEPTEMBER 22ND

On Sunday, September 22nd, we are hosting a
"Invite a Friend Day" here at First Methodist Church.

The only way this will be a successful outreach to our friends, our family, and our community is if we don't reach out and invite someone. It really is all up to you and me!

"Invite a Friend Day," should be an every week event...inviting our friends who aren't going to church! And those who haven't been back in church! Look, the bible says that we are given a spirit of timidity, but one of boldness. So...be bold! Invite someone to church.

Afterwards, let gather for a church potluck luncheon on this day. What do you think? I hope you will decide to be a part of this great day, and that you will not be "shy" about inviting someone you know that isn't going to church...it doesn't matter if they are a member or not... just invite them!

JUST THINK ABOUT IT

September 16, 2024

Hello Friends!

Hello Friends! Well, first let me apologize for my entry back in the world of leading our church. Since returning from our trip to the Mediterranean, I've been under the weather. "I thought" I would be fine to preach on Sunday, September 15th, but I guess not! Thank you, Bro. John Simmons for carrying the torch for us. I am thankful to be writing to you this week, as it is a sign I'm back in the office (albeit coughing still), but back!

It was great to hear that a good turnout was had for Triple G Tailgate. I know that the strong potential of rain pushed things inside, but it looked wonderful and inviting in the name of Jesus. Thanks to all for the ministry work of putting this second annual event together. Andy, you and your team did a fantastic job!

As I watched worship on Sunday, September 15th on-line, it was great to see our Redbird Mission Team made it home safe and sound. I know the team had an interesting week as they were Missionaries to Kentucky. A good part of their time they were quarantined while law officials were on the hunt for fugitive suspect Joseph Couch, Interstate 75 Shooter in Laurel County, Kentucky. The ramp you all built and installed looked fantastic. We're so glad your home safe and sound!

Our new preaching series, WHAT'S HAPPENING TO OUR FAITH?, will now shift a week, and start this Sunday, September 22, 2024. I recently wrote that the world in which Jesus was born, lived, offered ministry, taught, was arrested, put before a mockery trial, crucified, buried and rose from the grave (Thanks be to God)...was a world where the people who should have been looking for Him, who were to be preparing the people for His arrival...failed to see Jesus for who He was...the Son of God. The statement is a good statement of summation for the post-Christian world we are living in. I am hoping that you will join me over the next few weeks to investigate our calling of ministry both individually and corporately, to bring change in our church and our community. I look forward to sharing with you on Sunday, September 22, 2024.

In Service to Christ,

Bro. John Verciglio
