April 21, 2025

Greetings Easter People! Yes, thanks be to God...we are Easter People! Christ the Lord is Risen! What a beautiful service of Worship and Celebration we shared on Sunday, April 20, 2025, Easter Sunday! It was amazing to see such a full sanctuary of members and family members gathered! Don't forget how that felt friends...do it again this coming Sunday! Your presence means more than you can even know to your pastors and your staff! Most importantly...to your Lord that you honor Him with worship!

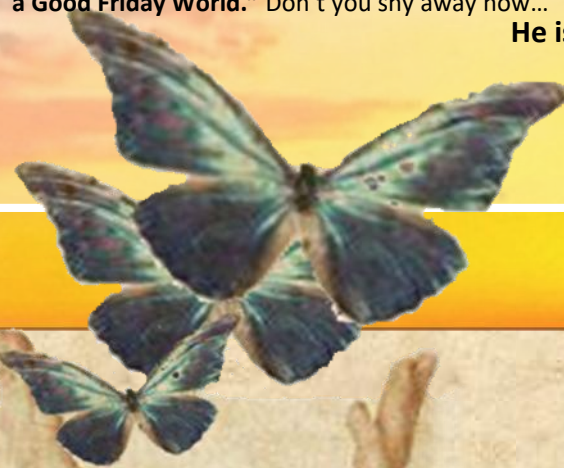

On Sunday, April 27th, I will begin a new preaching series titled, **"Easter People in a Good Friday World."** The title is not new to the Christian believer as it has been used by such folk as Ann Lamott and Barbara Johnson. Over the last weeks leading up to Easter, I have felt God's calling to us as a congregation toward celebration of God's goodness in our lives...our life as a congregation, our individual lives, and in our roles of family, community and world.

On Sunday, April 20th's sermon message, I was offering that you and I as members of the Body of Christ, and individually, have a word of God's love to offer the hurting, lost and searching of our world. As I offered those words, that we have this word and we are called to share it...I was surprised at the silence that fell upon our gathered body...if you remember, I offered that that silence must be because we are "methodist."

Friends...you and I are the Body of Christ the Name of Jesus Christ, the Risen One! What greater gift is there than to share with another, with each other, that God has touched our lives through His Son Jesus Christ with His love, mercy, grace and forgiveness? What greater gift is there than to stand with another as they would seek prayer for their life? What greater gift is there than to sing and worship the living God for His goodness, His blessing, His power, His glory? There isn't...there is no greater gift than to open our mouths, open our hearts, open lives to be God's living witness to His Holiness and His Love. I look forward to our upcoming series on being **"Easter People in a Good Friday World."** Don't you shy away now...

He is Risen,

Bro. John Verciglio
