Church Door Fobs

The Trustees need all former church committee members who have served in the past few years to return their Facility Door Fobs. We decided on Door Fobs because we can recycle them for future use. Donald Wright has indicated that we are dipping considerably into our original Fob inventory purchase. So, if you have a Fob that you can return, just drop it by the church office.

Thank you so much friends

Churchwide Clean-Up

In the next couple of weeks, please be on the look-out for a notice about a churchwide inside facility cleanout. We have several areas within the walls of our facility that are in desperate need of clean out. We have air units hard to access because of stuff, we have items that have been stored for years without any use that are showing decay, and we plainly have some areas that have become collection points of items that will not be used but no one wanted to throw it away. IT'S TIME! The Trustees will be scheduling the use of a "drop dumpster" for a facility clean out. Your Job? Please take a serious inventory of any areas in our church that you either have items stored; are part of a gathering group that has items stored; or are reminiscent about any items you'd like to have that might be tossed. We will be addressing areas like the large storage room across from the Fellowship Hall, the upstairs areas above the Heritage Sanctuary, rooms down the hallway where Young Adult Class/AA/Kinder Musik/Cub Scouts/Sonrise/ and The Furnace Room are located.

Just Think About It...

June 16, 2025

Hello, Friends of Jesus! I am thankful to have the chance to write to each of you this week. I don't take for granted that we have a weekly church newsletter. But I must confess, I often wonder how the articles come across to you? I mean, "are they making a difference? Are you being challenged spiritually to grow in Jesus, and to help lead others to know Jesus? Are the articles 'just long-winded' preacher talk? Pie in the sky hoping and dreaming," for the church? Unrealistic asking's to get involved when I can't, feel like I've done my part, or don't really want to? No, I really mean it...I wonder?

I know that for myself, I have been taking personal inventory as a pastor, a community leader, the roles of my life, say as a husband, father, father-in-law, grandfather, friend...you get the point. The quote I shared in the sermon on Sunday, June 15th has made me really think about and think in these roles, "We are all leaving a legacy...when we walk out of a room, either we leave behind the aroma of Jesus that spreads the knowledge of Him everywhere, or we are leaving the 'less pleasant smell of self-promotion' or the vacuum of saying and being nothing much at all..." (Rev. Alistair Begg)

As we all read these hopefully spiritually thought-provoking words...how are we growing spiritually? Are we growing spiritually? Are we engaged in what God is seeking to do in us and through His church, or are we letting Him know what we will allow and what we won't? It is a spiritual matter to ponder. Friends, don't forget our June 29, 2025, outdoor worship and Lunch on the grounds is about here. On this day, please bring a lawn chair, any small table you'd like by your chairs, a 1½ size portion of your favorite potluck dish, a healthy appetite, a fellowship spirit, and a friend you know who isn't in church or is looking to get back to church.

The church will set up under the drive through at the daycare entrance, a long connection of tables for our food spread. The church will provide paper products (cups/napkins/plates), plastic utensils, tea and water. OH YEAH...wear comfortable clothing. Shorts are great! Be comfortable.

Please keep the following on your knowledge of things happening at church: Please note that Trustees have scheduled that the Food Pantry/Clothes Closet **WILL NOT** operate in the month of June 2025. We have issues to address and maintenance to take care of in that area.

Blessings as you walk with Jesus!

Bro. John Verciglio

Hueytown CityFest was a success this past Saturday. 3 Generation preformed beautifully for the crowd and our volunteers at our tent handed out trinkets and invites for VBS. Thank you to all members who help reach out to our community through CityFest.
