Churchwide Clean-Out

As June comes to a close our churchwide inside facility cleanout will be ending. The members who have given their time and energy have been a blessing to this church in a big way. We had several areas within the walls of our facility that were in desperate need of clean out. We had air units hard to access because of stuff, we had items that had been stored for years and showed decay, and we plainly had some areas that had become collection points of items that would never be used but no one wanted to throw it away. IT WAS TIME! The Trustees scheduled a “drop dumpster” for the facility clean out. Our members who worked so very long and hard really took their job seriously. They addressed areas like the large storage room across from the Fellowship Hall, the upstairs areas above the Heritage Sanctuary, rooms down the hallway where Young Adult Class/AA/Kinder Musik/Cub Scouts/Sonrise/ and The Furnace Room are located. Thank you so very much for your willingness to physically work so hard for our church.
